

Rappahannock Astronomy Club is an organization of amateur astronomers serving Fredericksburg, Virginia and the surrounding areas. If you have even a passing interest in the night sky, come and see us at one of our monthly meetings or activities.

### **Star Parties**

Everybody is invited to come out and enjoy the beauties of the night sky through amateur telescopes. Star parties are at Caledon Natural Area, King George, Virginia, and start after sunset. Cloudy skies will cancel a star party.

### **2007 Star Party Dates**

January 13	May 12	September 15
February 10	June 9	October 6
March 17	July 7	November 3
April 14	August 11	December 1

Also: Big Meadows Star Gaze September 7 - 8 at Big Meadows Campground, Shenandoah National Park

### **Want an astronomer to work with your group?**

We can provide amateur experts with experience working with schools, Scouts, and other community groups at all age levels.

### **Want to join?**

Membership is \$15 per year for your entire family. We also have an individual student membership at \$7.50.

### **Club Meetings**

Visitors are always welcome. Members present some astronomical topic they are currently working on. We meet at the Central Rappahannock Regional Library in downtown Fredericksburg, Virginia on the second Wednesday of each month at 7 p.m.
